1. Measurement of length of main beam
2. Measurement of inside spread
 - If hunter chooses to take a buck with broke tines, g-1, g-2, g-3 or any tine, the tine measurement for opposite side of rack will be used as total length for broken tine.

- Buck deer taken for doe, accidentally or on purpose, will result in a cost of \$1000. A point is considered 3/4" in length.
- If a deer is wounded or blood is drawn, the deer is the hunters and all fees will be charged.
- If you choose to not shoot a buck there will be a guide fee assessed of \$ 125.00 per day.
- Some of the bucks on the ranch will be off-limits due to age, and are our breed bucks.
- Depends on yearly hunts to see about shooting extra does.
- Lodging \$90.00 per night
- We will be conducting some hunts on other ranches, but there will be a different cost for these hunts. CALL FOR PRICES!
